INFORMATION CONTINUED

Dog Wash—Our groomer, Mariko, along with Jackie, will be offering a dog wash service on the day between 10am and 2pm. Please note that space is limited and based on a first come—first served basis, numbered tickets will be handed out and if your number is called and you are nowhere within the facility then you will lose that spot to the next person. The cost for the dog wash is \$20 with proceeds going to the ACTSS.

Please confirm if your dog requires a hypoallergenic shampoo.

Remember this is just a dog wash and not a bath and brush.

Silent Auction- Within the daycare room we will have tables set up with our silent auction items laid out for you to browse, our items vary and are for either pet or pet owner. If you are not sure how a silent auction works all

you need to do is to write your name, phone number and how much you are comfortable with paying for that item, each item will have its own auction sheet, then **FIN- GERS CROSSED,!!**

You will be able to keep a watch full eye on your item, if someone over bids you, you then have the decision to either increase your original bid or simply just not to bid.

This can be quite exciting and we do have some amazing Items already !!!

We are still asking for silent auction items, let us know if you can help.

For all our silent auction donors you will have the opportunity to have a booth here free of charge. If you are a business and you don't necessarily want to donate anything but would still like a booth here then you are required to pay a \$25 dona-

tion.

All proceeds for both the silent auction and having a booth will go to the ACTSS
